Dedication

In appreciation of their faithful and constructive service to Springfield High School, the seniors of the 1949 class dedicate their Capitoline to the following members of the faculty who left our staff at the end of the 1948 school year. They are: Mr. Lyman K. Davis, Miss Dorothy Bundy, Mr. Edgar N. Gwin, Miss Grace Lomelino, Miss Emma Campbell, and Miss Katherine Mather.

Under the excellent leadership of Mr. Davis, our principal, our school thrived and advanced in all departments. Through his esteemed guidance instructors were able to initiate modern improvements in their different departments.

Miss Bundy, dean of girls, and Mr. Gwin, associate dean of boys, were always ready to help students in every way and solve their individual problems. Miss Lomelino, girls study hall counsellor, offered encouragement to any girl who was ready to give up the fight. Their sympathetic attitude and alert understanding were great assets to our school.

Miss Campbell, English instructor, and Miss Mather, Physical Education instructor, were capable teachers who will be sorely missed by their departments as well as the student body.

To these teachers of Springfield High School who so diligently taught the youth of Springfield, this book is dedicated.

The Forty-Niners

Just one hundred years ago the greatest mass immigration in the history of our young country began. A year before, in 1848, gold had been discovered at Sutter's Mill in California. Sutter, fearing the vast movement which eventually overwhelmed him and his California home, tried to keep the discovery a secret. But word leaked out and within a year had reached the populous east.

Then the flood began. Some took passage on ships passing through the Gulf of Mexico to Panama; they treked across the Isthmus and then embarked on steamers plying northward to California. Some took the long journey around Cape Horn. Still others piled into wagons and headed them into the rolling west.

From all walks of life they came. Rich men and poor men, wise men and fools, some alone and some with families, left jobs and adequate incomes to take their chances on the valuable dust. From north and south they came, old and young, good men and bad, bringing with them all the lawlessness and violence that such a movement must have.

But the Argonauts of '49 served their purpose. Meaning to mine their ore and take it back home, many failed in their search and stayed to settle one of America's last frontiers. Inasmuch as Illinois, located on the Mississippi River, was a jumping-off place for the overland drive, the 1949 Capitoline staff feels that the Gold Rush is an appropriate theme for this, the centennial anniversary of the Forty-Niners.

COUNSELORS—PETEFISH, JOHNSON, HAGER, LEDERER

COUNSELORS

There are four study centers at Springfield High School, two for the boys and two for the girls. When a student enters SHS, he is assigned to one of the four study centers where he remains for his four years of high school. These study centers give the students the opportunity of working under one counselor who knows their records and needs, thus giving them the advantages of a smaller school.

The boys have two study halls under the direction of Mr. Lederer and Mr. Petefish, and the girls have two study halls under the supervision of Miss Johnson and Miss Hager. These counselors help students plan their high school programs. They also keep records of each student's grades throughout his four years at school. These records are kept on file to send on to colleges and to use later as character references.

The counselors are always ready to lend a helping hand to any student. When a student is not doing satisfactory work, the counselor in charge attempts to improve his study habits or to give him a program more suited to his needs. Senior students find the counselors more than helpful when they need assistance in selecting and applying to different colleges.

Excellent studying conditions exist in all study centers. Limited reference material is provided for the students, and distractions are avoided. Also, donations are taken and announcements are made through the study halls.

The English department of Springfield High School gives growth and development to every student on his own level. Students are taught to read and think through their material; all reading aims to develop the students, meeting the basic needs of all youths. They are also taught to explain their ideas clearly and logically; their fellow students learn to listen thoughtfully and consciously.

In 1948-49 significant advancements have been made. Classes were offered in special corrective and remedial help. Generous contributions from Springfield citizens afforded enriched selection of very recent books to these classes. A recording machine for speech correction is the pride of the department. Any class discussion, dramatization, or individual speech may be played back. Speakers can hear their own mistakes and correct their errors with understanding. Classes saw movies on the **Background of English Literature, Scotch Literary Background,** and Shakespeare's **Romeo and Juliet** and **Hamlet.** Dictionary, spelling, punctuation, and reading movies planned by Northwestern experts helped develop skills in students of the first two years. This year the English department will be the only department represented at the State Fair.

Throughout the English classes students focused on world problems. By listening, discussing, and reading, they have realized dangers from intolerance and ignorance. Increasing emphasis went to understanding other countries of the world.

Pictured above is a class in 10¹ Newspaper reading and writing. In these classes sophomores get much training in reading for significant news, reliably and concisely told. The other photograph is of a senior class assembling material to write a conservation theme. In another class writing on the same project, Howard DeOrnellas won national honorable mention for his theme.

SOCIAL SCIENCE

At this time when history is being made almost as fast as it can be recorded, it is necessary for the school students of today to be able to think and express themselves on government problems of importance. This is one of the main objectives of our hard working history department. A world problems class is offered especially so that students can iron out the problems of the day in their own minds. Each student is urged to give his or her thoughts on current events, thereby giving all sides of the story so the remainder of the class can form an unbiased opinion of the issue.

When one thinks that the teen-agers of today will be the leaders of tomorrow, it is especially important that our students be taught to respect others' rights and to be tolerant.

Another objective of the social science department is to relate learning and everyday living and to promote wholesome attitudes in the pupils. The responsibilities as well as the privileges of Americans are stressed. Adult citizens must be conscientious voting citizens. It is required of all students for graduation that they take World History and United States History.

SCIENCE

We realize more and more when we read about modern conveniences, new inventions, and atomic energy that the field of science plays an important part in the present day world. The SHS science department tries to give each student a closer understanding of the different sciences during this atomic age. A study of science furnishes an important background for engineering, nursing, medicine, and other scientific fields.

For those interested in these fields a varied list of subjects is offered. For freshmen the course includes one year of General Science. Sophomore students have a choice of one year of biology, botany, or zoology; junior or senior students may take one year of physics, one year of chemistry, or one semester of special botany and one semester of physiology. This year a one semester course of electronics is being offered to those who have taken physics.

The program of the department was varied as usual. The botany students chartered a bus and traveled to St. Louis to visit the botanical gardens in Forrest Park. These students also enjoyed short field trips during their class periods in which they became acquainted with plants and trees. Insect collections were a requirement in the Zoological department again this year.

The mathematics department of SHS is one of the most essential departments in school and has an outstanding record in education throughout the country. Our very capable instructors have as their primary idea a plan to teach the student to think accurately, to respect the power of mathematics and its use toward constructive devices for promoting human welfare, to respect the opinions of others, and to analyze life situations clearly as is done in working mathematical problems. Students taking a college preparatory course are required to take one year of Algebra and one year of plane geometry. The third year of mathematics consists of Advanced Algebra and solid geometry, while college algebra and trigonometry are taught in the fourth year. The mathematics case in the main hall is always filled with interesting projects done by the students of the different classes. One of the most interesting exhibits was an electric machine that shot a pingpong ball at a basket as in basketball. New books and a film projector have been added to the department, all of which help the teachers to uphold and improve the high standards of SHS.

Language courses are becoming more popular at SHS every year. Students are beginning to realize that the study of other languages gives them a better understanding of foreign relations and the customs of other countries.

Latin, under the guidance of Miss Steinmiller, Miss Ihlenfeldt, Miss Blatt, and Miss McPhillimey, gives the students a better insight into their own language in regard to spelling, grammatical principles and an enlarged vocabulary. The present third year group in addition to reading **The Aeneid,** is using a Latin magazine, "Auxilium Latinum", which adds interest to the course and allows participation in a nation wide competitive examination in the spring.

The French classes, under the leadership of Miss Mathews, are building up to a pre-war status. To add to the interest of the class, our students correspond with foreign students. Also a French dinner will be held again this year.

Lately a great interest has developed in our South American neighbors. In the Spanish classes, Miss Ronca enlightens her students on the customs of these South American people. A phonograph, which was added to this department this year, enables the students to hear French and Spanish records.

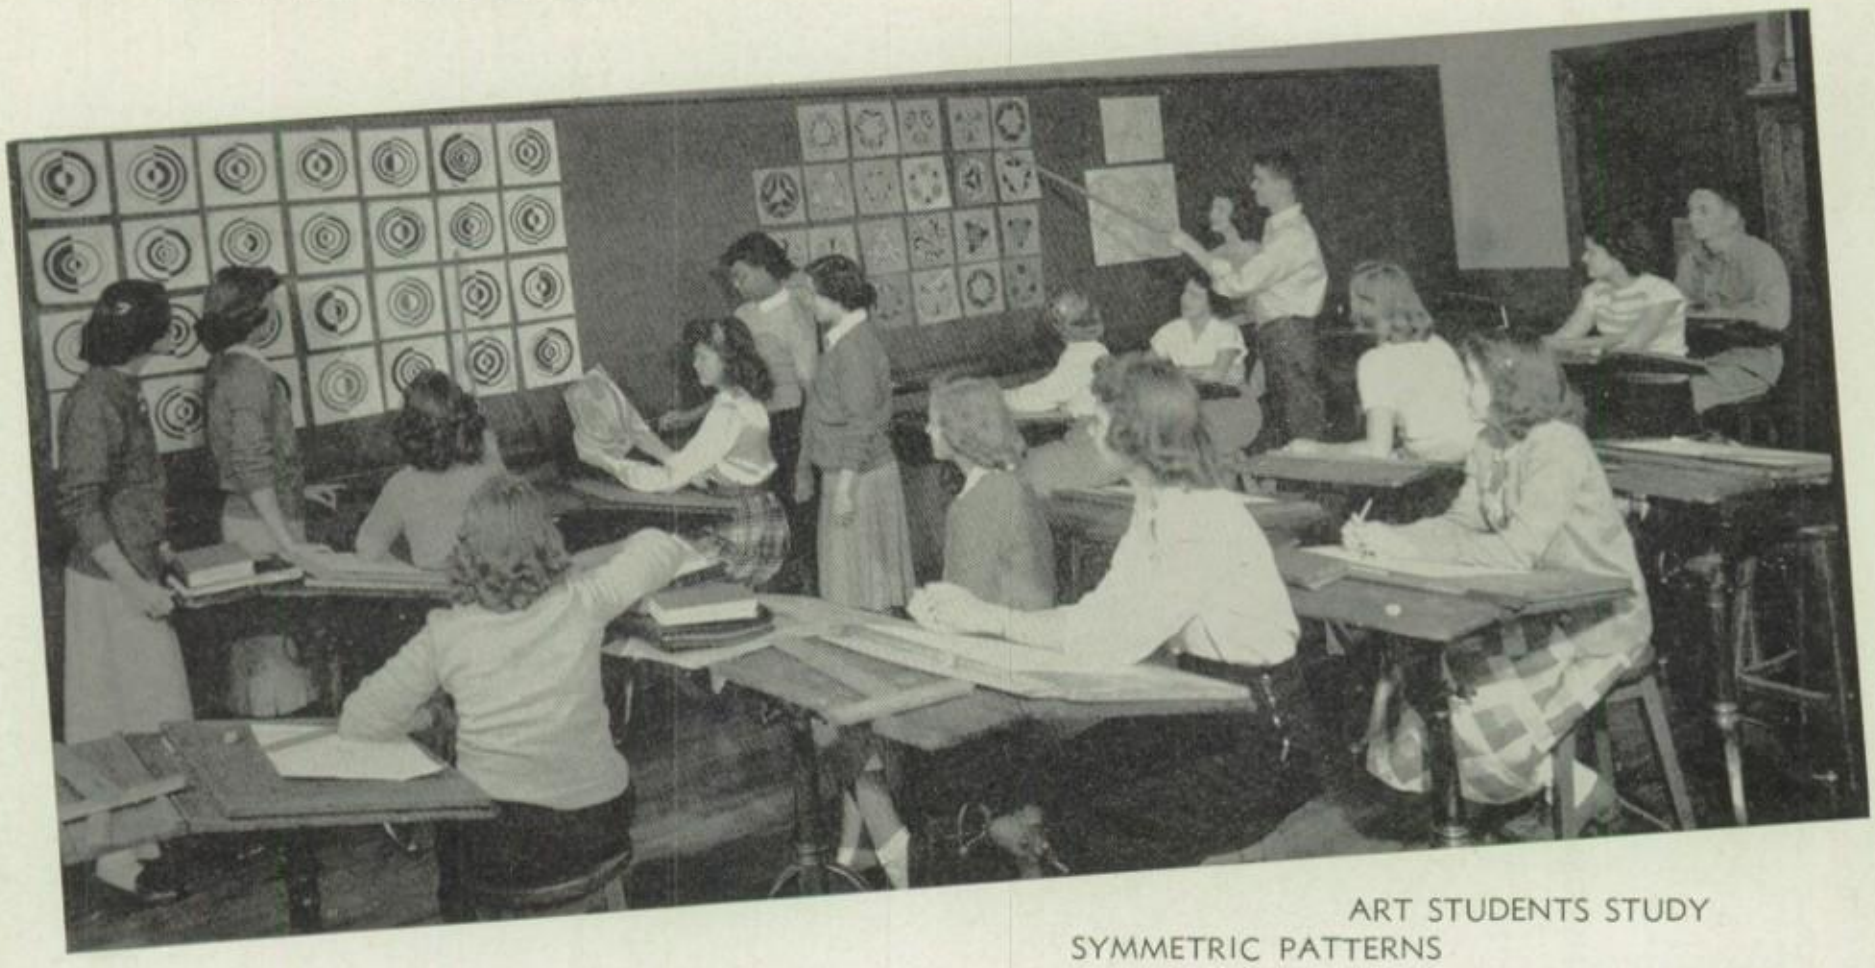
FINE ARTS



ART STUDENTS STUDY
SYMMETRIC PATTERNS

The students of SHS are now becoming more art minded than ever before. For this reason our art department has adopted three main objectives in its courses of study. The first of these is to give students an outlet for creative ability both at the present time and for leisure time hobbies. The department, by this objective, wants to produce a means for increasing initiative by art work.

Secondly, the art department wants to train many people to purchase more beauty for their dollars, thus making good buyers of household articles.

Thirdly, the department wants to train a few people who expect to make some field of art their vocation. Sometime in the future we may be hearing of a great artist or sculptor whom we will remember as a former classmate back at SHS.

LINE AND COLOR COMPOSITIONS

During the year the art classes have taken a trip to St. Louis to see the famous paintings captured in a salt mine in Germany during World War II. We can point to our art department with pride for the fine work that they have accomplished.

Under the guidance of Miss Hays, Mrs. Baldwin, and Mrs. McCarthy, the household art department strives to help the student meet the needs of everyday life. The girls are taught to adjust themselves so that they might live happily with their families, be well-groomed, and properly dressed at all times.

The courses offered in the home economics field are: Homemaking, foods, advanced foods, clothing, home management, and tailoring. Budgeting is studied in all classes, and a great deal of emphasis is centered on efficient economy.

Mabel Hays

The girls cook and serve well planned, attractive meals, learn home nursing, and study child development. Clothing students are proud to wear the skirts and dresses they make, as they have that professional look. At a student assembly girls modeled their suits, wool dresses, skirts, and blouses before an appreciative audience. Home management classes feature the efficient management of the home and the creation of beautiful, convenient, comfortable homes. The department often exhibits in the main hall attractive work done by students.

INDUSTRIAL ARTS

There are many courses offered in the Industrial Education Department of SHS. These courses are offered with the intent of training boys to become acquainted with the various tools and processes used in the present day world.

When a boy enters high school, his first contact with Industrial Education comes from General Shop in his Freshman year. In this course he gets training in electricity, auto safety, blue print reading, woodshop, machine shop, and printing. This is an exploratory course to give the student experience in the various shop courses. From the experience, he may select the course he is most interested in, and take further training in his sophomore year.

The advanced courses offered are: Industrial Arts, Machine shop, Mechanical Drawing, Woodwork, Printing, and Vocational Machine Shop. The experiences they have had are always helpful in their work after graduation.

DISTRIBUTIVE CLUB PLANS ACTIVITIES

COMMERCIAL

The purpose of the commercial department of SHS is to give its students the basic background for their further study of business subjects. The courses offered this year are: Shorthand, Bookkeeping, Junior Business, Salesmanship, Business Typing, and Personal Typing.

The salesmanship classes, under the direction of Mr. Mason, give the student a chance to train for a job while he is still in high school. This can be done by studying academic subjects in the morning and working in downtown stores in the afternoon.

This year a distributive club was formed for the purof hearing talks by downtown business men. This club has nightly meetings once a month with the Lanphier High School chapter, with each club taking its turn as host. The club went to St. Louis this year to visit business establishments and other distributive classes in that city.

CHORUS CLASSES PREPARE FOR ANNUAL CANTATA

MUSIC

The music department, besides helping students develop their talents, teaches them to understand and appreciate music. This department offers an excellent variety of courses from which students can pursue the particular field of music in which they are most interested.

For those interested in instrumental music, the ever-popular orchestra, directed by Mr. Constantine Johns, would be the choice, while the boys may join our colorful band, under the direction of Mr. G. W. Patrick. This year the band, which adds zip and enjoyment at basketball and football games, was successful in obtaining new uniforms.

In vocal music, the a cappella choir continues to rank as an outstanding institution under the direction of Miss Margaret Hausen. A course in harmony and music appreciation supplements these subjects.

For students who are not enrolled in specialized music courses, there is a required course of chorus to be taken in the freshman and sophomore years. These classes give training in a general background of music and in group singing. Each year the chorus classes present a Spring program.

Freshmen and sophomores who plan to enter the a cappella choir may enroll in either Junior Choir or Girls' Choir in lieu of chorus until they are satisfactorily prepared to enter the choir.

PHYSICAL EDUCATION

The purpose of the physical education department of Springfield High is to develop the student socially as well as physically and to give a relaxing period from a hard and tiresome day.

All physically fit students are required to take gym every other day through four years of secondary school.

The athletic department of our school is known throughout the state for the fine teams they produce. The football, basketball, track, baseball, golf, and tennis teams have had fine records.

Herbert Scheffler
Basketball Coach; Illinois College; University of Illinois; University of Oklahoma, B.S.

Students not on teams play basketball and volleyball in the winter, and football and baseball in the fall and spring. The gym instructors; Peterman, Roellig, McQueen, and Sheffler, work hard with the gym classes.

The girls also take gym under the tutorage of Miss Hysler and Miss Schulze. Besides the usual sports, girls also take folk and square dancing, tumbling, posture training, and social development. In after school activities the girls are offered bowling, badminton, golf, and tennis.

Boys and girls who take five subjects have after or before school gym.

The "middies" were only a shining ninety in number, but struggled through with one of the most honorable records in Springfield High's history.

Both boys and girls participated in the many activities offered by our school and succeeded in capturing the topmost honors in the fields of sports and scholarship. The National Honor Society claimed some who displayed their talents to the extent of accomplishing a general 4.0 average and a 4.66 average in at least one major subject throughout the four years of their study, as well as displaying the highest type of citizenship and sportsmanship.

Wherever these talented graduates choose to carry on their various vocations, it will be seen that they have profited from their guidance and association at SHS. With their great ability for unaided leadership as displayed in the magnificent production of their class play and prom, we look forward to finding this January class in the highest circles of success.

Lee's going to make many a pulse quicken as a nurse when she's done with Washington University.

Nancy Lowery

How about a pair of argyles, Nancy? When she isn't following her favorite pastime of knitting, Nancy hopes to go to the Chillicothe Business College.

Philos, vice president; Sid Pip; Beaux Arts Court; Class Play, properties and publicity; Prom Committee.

Nancy McCall

"Mac" evidently got tired of homework at SHS—she's going to get enough sleep for a change now that she's out!

Jr. Capitoline; Prom Court; Hob Nob.

Homer McLaren

Everyone around SHS will remember Mac. He'll be missed when he leaves for the U. of I. to study new ideas in art, journalism, getting out of homework, and arguing!

Walter R. Melcher

We'll be buying all our groceries from Walter in a few years—he wants to own his own retail grocery.

Marilyn Miller

"Mickey" is going to be a model stenographer when she's out of school. All we can say is, lucky boss!

Rainbow; Prom and publicity committee.

JUNE SENIORS

PRESIDENT
Richard Ocheltree

VICE PRESIDENT
Tom Humphris

SECRETARY
Edward Skoog

TREASURER
Marilyn Crawford

Hats off to the Freshies of 1946!. Yes, they've made it—and with flying colors. Nowhere else could such a class be found that made better use of its opportunities and privileges. A well-rounded program of sports, music, arts, languages, and unending social activities has produced in them many admirable traits which will be an asset to the furtherance of their development.

They have tried and evidently succeeded in presenting an example to the underclassmen who will follow in their footsteps as they have followed in those of their predecessors. They are hoping to attain the topmost pinnacles of success as have the members of former graduating classes. One would probably find many who will vouch for them as to their accomplishments, but to them, taking it all in their stride, it has been "only in a day's work";—an old proverb, but still effective.

Yes, hats off to the graduates!!!

CLASS OF 1949

Joyce Allen

Joyful Joyce plans to purloin her smiles, willing nature, hard work and socialities from SHS to attend Stephens College. After that—who knows?

Jr. Les Bas; Les Bas; Modern Language Club, program chairman; Senator Staff; Jr. Capitoline; Capitoline Staff, senior editor; Beaux Arts Court; Prom committee; National Honor Society; "The Miser."

Eloise Allwood

Eloise was with us only in her Senior year, but we discovered she plays a mean clarinet. As a student in St. Louis she was active in many clubs and activities.

The Junior class is well able to look upon this year as one in which to take pride. They have given a great deal of energy and co-operation in making Springfield High school what it is. The Juniors have been indispensable in student government, school clubs, and athletics.

Next year they will be Seniors and will take on bigger responsibilities as capably and eagerly as they did this year. Throughout the year the Juniors have proven that they are able to represent their school and themselves in any kind of work or play as real citizens.

Now beyond the obscurity of underclassmen, they are gaining experience to become an outstanding Senior class. Every member is preparing for that year, and the class having proven themselves so far, we know it will be a great one.

So, to this capable class of Juniors, we wish a highly successful Senior year.

TREASURER

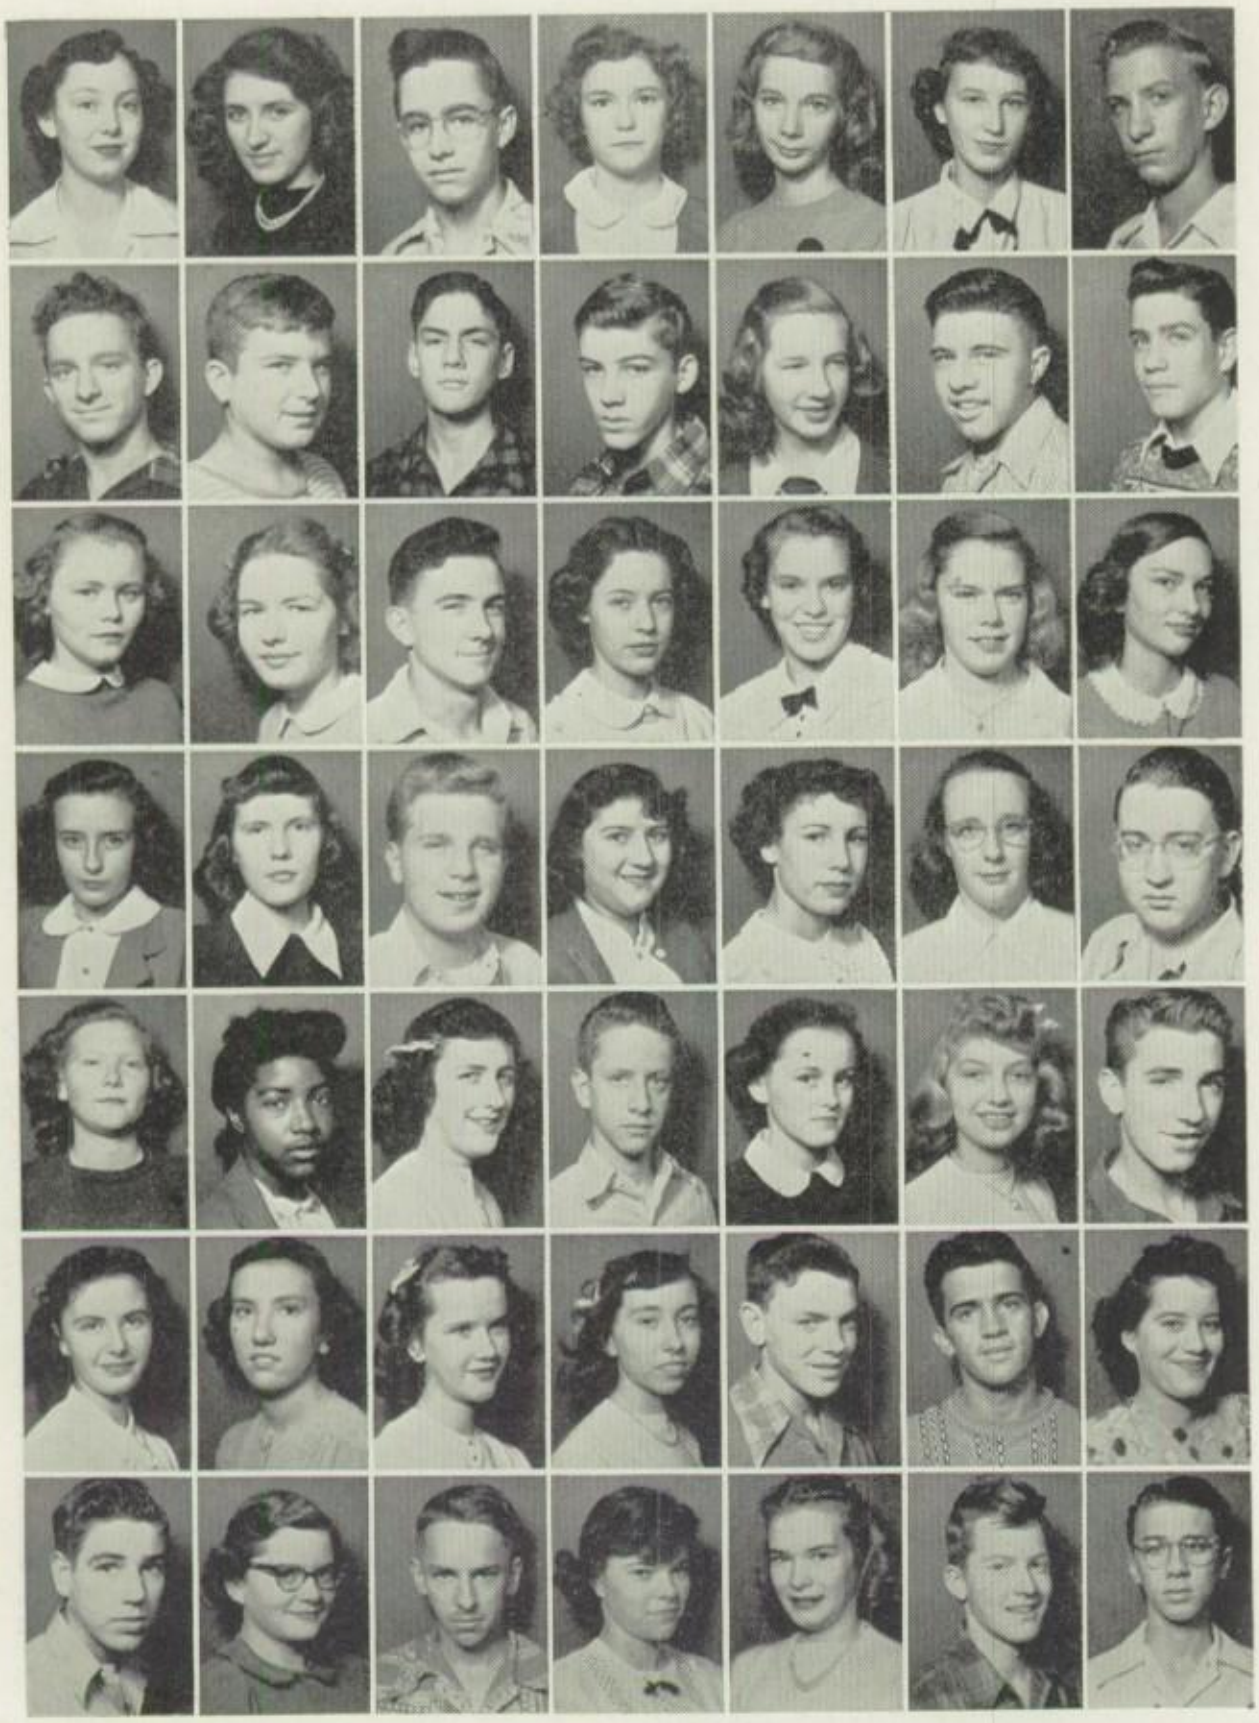
If the saddest day at Springfield High School is Commencement, the gladdest is the day we shed the name "cootie". So here they are, that scintillating, speculating, aggravating aggregation of most recent "ex-cooties", the Sophomores.

No longer do they wander around, afraid of their own shadows and all upperclassmen. They know their way around. They are fairly bursting at the seams with knowledge already gained and eager for that yet to be acquired.

Seriously, however, this class shows every sign of completely measuring up to the traditions of SHS. It has made an exceedingly good start in scholastic and athletic achievement and in producing its full share of present and future school leaders.

In size, the class is somewhat larger than usual, which perhaps explains the diversity of its capabilities. There is no questioning the fact that June, 1951 will see the graduation of one of Springfield's finest classes.

CLASS OF 1951



Janet Acton, Letha Anders, Bill Archer, Pat Baker, Wilma Barnes, Constance Barr, Clarence Bartels.

Bill Bartnick, Harold Bartnick, Ronald Beatty, David Beckwith, Henrietta Berning, Gene Berryman, Bob Bird.

You've seen them dashing through the halls, cutting up in study period, and working desperately to get their combination numbers right. Who are they? Why, the cooties, of course.

These Freshmen have run the gantlet of eight and a half years of primary education, from know-nothings in the first few grades to know-everythings in the eighth. Now they have started all over again, green and untried, with the ultimate goal of receiving a diploma from high school.

They have entered into the lively spirit at SHS from the start. During their first year they have loyally supported our school dances, sports, and club activities. In keeping to the long road they are to travel before leaving high school, they have steadily advanced, mentally as well as athletically and socially. In the coming years they will prove their ability while taking the lead in student affairs at Springfield High.

The school year 1948-1949 is over, and the Capitoline is completed and in your hands. The Capitoline Staff has the tremendous task of recording the historic events of Springfield High, and we hope that this yearbook will revive the memories of this fun-packed year.

Several weeks before school started, the staff met to begin its work. First on our agenda was the choosing of a theme. An assembly which dealt with talent on a movie lot was the first step in our publicity campaign. Students upheld the staff and subscribed enthusiastically for their Capitolines.

The publicity campaign was a big success, and the rapid flow of subscriptions kept the business managers very busy. Then it was time for pictures, and the freshman and sophomore editors were soon busy measuring and pasting. Junior and senior editors were busy with picture appointments. The snapshot editor's work was never done, and she kept bringing in more and more material. This was also true of the sports editor. In the meantime the art staff slaved to put our ideas into pictures. All this time the assistant editors were busy with write-ups, and needless to say, our editor was busiest of all. Mr. Furry, our adviser, was very helpful and cooperative at all times.

This year the staff added a picture index to the yearbook. We on this staff hope you like this book, and if in the years to come, it brings back vivid memories, then our efforts have indeed been worthwhile.

The Junior Capitoline Staff consists of a group of Juniors who are interested in learning the business of publishing the SHS yearbook. Any Junior student is eligible for membership.

At their meetings the Juniors discuss different phases of work connected with the yearbook. Often Senior members of the Capitoline Staff speak at the meetings and tell about the qualifications and duties of their particular job.

By selling advertisements, this Junior group can publish the popular Student Directory. They also spend a great deal of their time helping the Senior Capitoline Staff with the yearbook by selling acknowledgments, doing clerical work, and taking subscriptions and payments during lunch shifts. Next year it will be this staff who will be in charge of the Capitoline publication.

Those strangely dressed characters seen running around with baskets and big blue ribbons last fall, were prospective members of Jr. Les Bas Bleus.

Jr. Les Bas is an auxiliary of the Les Bas Society that was formed when the club became too crowded. It consists of girls who are at least 10½'s in standing and have no lower than a 3.5 grade average. Throughout the year the members earn points by participating in various activities; when they have 100 they are eligible for the Senior club.

The future Les Bas members have had a busy year, with a style show, a Christmas caroling trip, a Mothers' Tea, and a grand party for the Senior Les Bas, as well as their regular programs every other Thursday. More power to them!

One of the most popular clubs in school is Les Bas Bleus. This is what the pledges worked a whole year for, and they'll agree that it was worth it!

The meetings every other Thursday were well-attended, and rightly so, for the program committee did a grand job. There were interesting speakers, such as a dietician, a ceramics teacher, a hair stylist, and a makeup artist, and frequently hungry students happening to wander in the direction of Room 14, sixth period, would see a party in preparation.

A highlight of the year's activities was the beautiful Christmas party for the Jr. Les Bas. Tschaikowski's Nutcracker Suite was presented in dramatic form under the direction of Iris Paulshock and Lois Ostermeier.

THEIR OWN IN ACTIVITIES

The annual Christmas dance, the Holly Hop, was held at the Elks Club with Charlie Rodgers' orchestra, and went over so well that it was hard to take a step without tripping on a hoop-skirt! The spring dance was quite a success, too.

There was an unusual program on March 16 — O. J. Keller came to the school in the evening to talk to the Les Bas members and their guests, the Jr. Les Bas and the Philos.

Generous as usual, the Les Bas contributed freely to both the Community Chest and the Red Cross, as well as renewing the library's yearly subscription to Coronet magazine.

Miss Wilson and the officers, working together, kept the Society up to its usual high standards of fun and usefulness.

PHILOS INITIATE POPULAR

Under the fine leadership of their adviser, Miss Gieseking, the Philos have had an unusually successful and active year. The Philos, who met every other Tuesday, were provided with varied programs.

At their meetings the girls were entertained and enlightened on different subjects by outside speakers. They also enjoyed the annual Mother's Tea at Christmas time and the joint meetings with Les Bas. The annual alumnae banquet, which was held again this year, was a huge success. This year a new social event—the faculty tea—was added to the Philomachian calendar. This tea, which

was greatly enjoyed by both the faculty members and the Philos, enabled the students to get to know their teachers outside of class.

The ambitious Philos were quite prominent in all affairs. Besides sponsoring two successful candy and cookie sales, the girls went to St. Louis to see the Ice Capades of 1949. They also sponsored the biggest school dance of the year—the Sock Hop! The Philo graduation dance was the perfect climax to the excitement of commencement exercises.

DANCES, BEARDS, SCHOOL

The Wranglers had an active year in '48-49. They started off in fine style by burning a twenty-foot bonfire without any mishaps—with the possible exception of one or two fingernails. Pledge week came next on the Wrangler agenda. Conditions among the pledges were considerably better than last year; however, it still turned out to be grueling, as any pledge will gladly wail.

While football was still in season, the Wranglers defeated the Delphics, 12-0, on the gridiron. During the basketball season they again conquered their arch-rivals, 22-18, at the armory.

Each month during the school year the club donates a book to the library at Miss Zimmerman's direction. This has been the custom for many years and the library has gained a number of ex-

cellent works through the efforts of the book committee.

The Wranglers have sponsored three dances during the past year. At the end of the football season they gave the Gridiron Hobble, crowning Lois Dean Turly queen. Their annual Christmas dance was one of the most successful in the club's history. In the spring the barn dance brought many quaint and antiquated costumes to the SHS gyms.

In the spring, the Wranglers inaugurated a new service to the sports fans of SHS, providing concession stands for the spectators at the larger track meets.

The Wranglers' advisor, Mr. Sheffler, proved an able counsellor and saw the club through a thoroughly successful year.

AMATEUR SHOW, SHUFFLE

The Delphics had another banner year, headlined by outstanding services to the school and students. The club started the year by providing concession facilities and programs at the football games. Later, a large pledge class was initiated. In November, the Frostbite Ball, a very successful and enjoyable dance, was held.

The club continued its policy of donating generously to worthy causes, as Mr. Patrick, who received a band uniform from the Delphics, will testify.

The basketball season brought more Delphic programs, to the enjoyment and satis-

faction of the spectators. First semester activities were closed by a mid-year banquet.

The second semester was highlighted by the eighth annual Shamrock Shuffle, at which the well-known Springfield radio announcer, O. J. Keller, presented Marilyn Lowe as Miss Shamrock of 1949.

The Delphic Amateur show was a big success, as usual. The contestants provided plenty of delightful entertainment for the entire student body.

This very eventful year closed with the spring banquet, at which the new officers were elected. Mr. Lederer was the popular Delphic adviser.

Although the Future Farmer's Organization is one of the lesser known organizations of school, it carries on a very active program, which extends through the summer months.

Besides being enrolled in one of the agricultural classes, members must care for and keep accurate records on some productive project, such as swine, dairy, beef or corn; each member must also attend two-thirds of the regular meetings. Mr. Armstrong, who also teaches the agriculture classes, is the F.F.A. Chapter adviser.

Some of the extra curricular activities engaged in by the chapter are: grain, poultry, livestock and dairy judging at sectional and state contests, and participation in parliamentary procedure, public speaking, and various essay contests. The members also have skating and swimming parties, ice cream and hamburger suppers, and a watermelon feast.

This year also marked the first annual square dance held by the chapter.

Those strange and mysterious noises heard issuing from Room 14 every other Wednesday were caused by the French Club's meetings. This comparatively new club around school was formed as a supplement to Miss Mathews' French classes, and the members get together to try out their francais on each other.

The meetings have been very interesting this year, even if they were somewhat unintelligible. They ranged from the sublime to the ridiculous — from talks on France to plays in which someone gets hit over the head with an enormous lollipop, with an accompaniment of faltering French, and a bi-lingual grab-bag party!

Under the leadership of the capable officers and with the assistance and encouragement of Mademoiselle Mathews, the French club has prospered this year.

We can credit the efficiency and well-planned meals of our cafeteria to Miss Rita Devlin, the cafeteria directress. Miss Devlin works very hard to give the students nourishing meals at low cost and as quickly as possible. The cafeteria throughout high prices has continually produced low-priced and economical meals. We at SHS can feel very fortunate that we have such an excellent manager for our cafeteria. Miss Devlin also advises our Cafeteria Council.

The Cafeteria Council is one of the most efficient and best organized clubs of SHS. Politeness is the byword of the council. "Please have your money ready" and "Be sure to count your money"—those are familiar words in the cafeteria. Miss Devlin and Miss Powers, who direct the council, are behind the good service that is shown to everyone eating in the SHS cafeteria. The council members perform their jobs with the speed and know-how of veterans.

To become a member, a student must qualify scholastically and be interested in efficient cafeteria service. He must also have a pleasing personality and a friendly attitude. Much practical experience and business training are gained by belonging to the council. The cafeteria council is the only club that gives financial aid to its members. They are paid about one dollar an hour for work in the cafeteria. A member works himself up from the bottom and advances step by step. A new member starts by

scraping dishes and works up to the coveted positions of cashier and checker. Meetings are held bi-monthly on Friday mornings. Social and business events are planned. The meetings are conducted by officers who are elected each semester. New members are initiated twice a year at an informal affair. Along the social line are the breakfasts that are given annually at Christmas and Easter.

The Cafeteria Council has a tremendous task feeding balanced meals to large body of students on three short lunch shifts, so one can see that they must be very swift in their work. At the back of the cafeteria is a counter where candy, soda pop, and ice cream are sold. Paper, pencils and other school supplies are also sold before school. It is only proper that we extend our heartiest "THANKS" to the Cafeteria Council for a job well done.

One of the most outstanding organizations of the music department of SHS is the band. The boys in the red and black uniforms have again distinguished themselves and their school by their excellent performances. At half time of football games, the band could be seen playing and marching up and down the field, providing entertainment for the spectators. At basketball games also, the band played all kinds of music, from the classics to jazz and boogie woogie.

The band, under the able direction of Mr. G. W. Patrick, practices every day during sixth period in room 33. This year the band inspired the team and students at pep assemblies before athletic contests and also gave its annual concert, which was well attended by the public. The band has purchased new uniforms and new sweaters which they wore at the basketball games.

During the 1948-49 season at Springfield High, the school orchestra has risen to great heights in its interpretation of the great classics of Beethoven and the gaiety of Grofe.

The sixty-four piece orchestra presented a concert in early December and again on February 24 for the students in assembly. They also furthered their opportunities, playing for the Teacher's Institute at the Orpheum theater on April first, gathering with the high school Ensemble.

Social activities included a picnic at Washington Park in the fall and the presentation of the annual Sadie Hawkins Day Hop, a school dance. The orchestra came out highly successful in both of these ventures.

To prepare for entrance into the advanced orchestra, a prep orchestra has been devised so that the incoming students may have proper background and training before their acceptance in the regular orchestra. Cooperation, preciseness, good musicianship, and ability are entered upon and absorbed.

Mr. Constantine Johns is the popular director of the orchestra. His highly successful group has with it ten of the musicians who have gained high positions in the Springfield Symphony Orchestra.

Although the Springfield High School Ensemble has existed only since the fall of 1947, it has already gained for itself high acclaim in its field of culture. The city now realizes its growing importance as an entertaining group, and the Ensemble itself strives to improve its growing prestige.

This year three members, owing to extra time, have been able to play with the high school orchestra; however, they still practice in their own group earlier in the day.

Mr. Constantine Johns, who directs the Ensemble along with the orchestra, has done much to further their opportunities. His efforts will never be forgotten, particularly by those who have heard the results of his careful instructing.

Some of the accomplishments of the Ensemble include a concert for the Optimist Club Banquet, and for the Urban League of Springfield. They have also journeyed to Champaign again this year to play in the State Orchestra organized there. Last but not least, they presented a concert on April third with the regular high school orchestra.

A very worthy year, indeed, for these talented musicians.

SINGING SEVEN

One of the most successful musical groups that SHS has ever had the fortune to sponsor is the Singing Seven, a mixed ensemble which represents our school in numerous engagements in and about Springfield. Under the direction of Miss Hausen, this group of talented young men and women sings without charge for many local clubs and civic organizations.

The singers are chosen from the school's various choirs, and with their mature voices, their ability to carry individual parts and read well, they are able to develop much poise and stage presence for appearances. All the civic organizations for whom the Singing Seven has performed continually request return engagements. The group has sung for four assemblies during the past year and has participated in two formal concerts.

Meeting during the fourth period, the ensemble is able to sing for luncheons and dinners for such groups as the Kiwanis, Lions, Lionesses, Legions, Rotarians, Farm Loan Associations, P.T.A., The Optimists, the Sangamon County Teachers Association, etc.

The Singing Seven was singularly honored this year to be written up in the March issue of the Illinois Education magazine which also carried its picture on the front cover.

Miss Hausen
Director

Miss Margaret Hausen came to us in 1945 from Feitshans High School. She has increased the scope of the choral department by adding two new musical groups, the Girls' Choir and the preparatory Junior Choir. Miss Hausen always graciously cooperates when music is needed.

The A Cappella Choir, under the direction of Miss Margaret Hausen, is the largest and best known choral group at SHS. It has performed for four school assemblies, two baccalaureate services, a Christmas program, and two formal concerts, as well as other non-school engagements.

On April 1 the choir was featured in a pageant, "American Children," written and directed by Miss Hausen. The performance was given at the Orpheum Theater before a meeting of the South Central division of the Illinois Education Association. Helen Sellers, a Senior member of the Choir, served as narrator.

The talent in the A Cappella is steadily increasing as a result of the two preparatory choirs, the Girls' Choir and the Junior Choir. Our choral department, as part of the music department, was written up by music experts chosen from the State Department of Instruction. In this educational program SHS was the only school in the state to have its music department so honored.

On May 7 SHS was, for the first time, host for the annual Big Twelve Music Festival. George Howerton, choral director at Northwestern, was guest conductor, and the combined choirs, totaling well over 1,000, were literally a "singing" success.

The Girls' Choir is composed of forty-eight enthusiastic, energetic young ladies who, like the Junior Choir, maintain a desire to gain entrance to the a cappella. Most of these girls are underclassmen, interested in choral work. Though these students do the same type of work as Junior Choir, they are learning to read in three-part harmony (consisting of first soprano, second soprano, and alto), which gives them the necessary training and experience for part reading.

Miss Hausen expressed her opinion toward these girls in the following statement: "They have a great deal of initiative, are full of ideas, and have the drive and energy to put these ideas into practice."

Besides performing in the February and the spring formal concerts, these students have appeared before the P.T.A. These appearances before the public help the girls to acquire valuable poise, personality, and confidence.

To date this girls' choir is one of the finest we have ever had.

Many of our high school students are interested in choral work. In order to provide them with ample opportunity to develop their voices and interest, Miss Margaret Hausen conducts a Junior Choir, this year composed of 40 boys and girls.

The goal of Junior Choir members is admission to a cappella. With this zenith in mind, the students are working to increase their ability to read three and four part music. The choir sings both a cappella and accompanied.

Because of crowded schedules, some members are able to attend this class only every other day, but still they are able to come in contact with choral music.

The Junior Choir sings in both the fall and spring formal concerts. Since Springfield High School plays host for the Big Twelve Festival this year, members of this choir are giving a helping hand by aiding with the mechanics of this event.

DREAMS COME TRUE . . .
SOMETIMES

Springfield High's Rifle Club made great advances this year toward becoming one of the school's most active organizations. Only two years old, the Rifle Club has attracted many boys, both upper and underclassmen, who are interested in competitive target shooting.

To enroll, the applicant must hold a Y.M.C.A. membership. He automatically becomes a member of the National Rifle Association. The club meets Tuesday nights at the Y.M.C.A. for instruction and practice under the guidance of Mr. Howard Diller in prone, kneeling, sitting, and standing target shooting. All shooting is done with .22 calibre rifles, and the club provides guns for boys who do not have their own.

This year the club fired several matches with out-of-town teams, besides shooting monthly postal matches against all the other teams in the N.R.A. The club has done well in postal match competition, several times landing among the first thirty teams in the nation. Late in the year a postal match league was organized with teams from other Illinois cities. The league did not function this year, but full scale competition is planned for next season.

Fighting through a tough schedule, Springfield completed an undefeated season with its record marred only by two ties, with Decatur and with Peoria Manual.

Springfield took second honors in the Big Twelve, winning three contests and tying two. This was the Senators' best season since 1945 when they were crowned Big Twelve champs. In a commendable performance they amassed 151 points to their opponents' 33.

SHS had a candidate for first team all-state honors in the person of Ron Thunman, Senator center. Ron was named on the Chicago Daily News all-state squad.

After Hillsboro surged ahead in the fourth canto, Alonzo Kenniebrew provided a thrilling finish by catching a blocked pass in the end zone to sew up the game.

Opening the intra-city battle, SHS came through with a 6-0 victory over Feitshans. The lone score of the game came when Bob Slack plunged across from the one yard stripe on a quarterback sneak. Springfield

racked up a total of nine first downs to Feitshans' two. Feitshans made two serious threats, but the Senators' line held strong. Jim Duda was the most consistent ground gainer, picking up 151 yards.

The SHS gridmen won a decisive victory over the Cathedral Cyclones in their third game of the season. Duda went over in the first quarter, and Tom Gagnon added the point. Gagnon tallied in the second period, and third quarter recoveries by two alert linemen, Noah Herndon and Ron Thunman, set up the third touchdown, made by Al Kenniebrew on a pass from Jack Blakeman.

Smashing their northern rivals, SHS clinched the city title by defeating the Lanphier Lions, 32-0. Springfield romped over the orange and blue with touchdowns by Jim Duda, Pete Larsen, Tom Gagnon, Ken Fitchner, and Bob Slack. Hess, Herndon, Thunman, and Gibbs were standouts in the SHS line. Four of the five touchdowns occurred in the second half.

Battling in a steady drizzle, SHS fought to a 6-6 tie in their first Big Twelve contest with Decatur. Jack Crosby, line backer, set up the lone Solon touchdown by recovering a Decatur fumble on the Red 48 yard stripe. A 14 yard pass put the ball on the five, and Ken Fitchner

plunged to score. The try for extra point failed, and the game ended in a deadlock.

Showing winning form, SHS defeated a rough Peoria Central team 7-0 at Peoria. The only score of the game came when Jim Duda passed into the end zone to Bob Slack. George Houska converted the extra point. The Senator line aided greatly with fine blocking and tackling in this second Big Twelve contest. Peoria never made a serious threat of scoring.

Springfield turned in a 20-8 count over a scrappy Bloomington eleven. In the opening play Duda scampered 28 yards to the Ramblers' eight. Set back by a penalty, Slack still covered the necessary 13 yards to score. Duda plunged 6 yards for the second tally. George Houska booted both points. Climaxing a 40 yard drive, Duda went across again in the third period. Late in the fourth quarter, the Ramblers recovered a SHS fumble and threatened to score, but time ran out after they had advanced the ball to the Springfield four.

Knocking off their seventh win of the season, Springfield raced to a one-sided 41-0 victory over Lincoln. Showing much reserve strength, SHS scored on touchdowns by Slack, Bramlet, Duda,

Larsen, and Dean. George Houska made five out of six conversion attempts. This victory boosted the SHS Big Twelve prospects considerably. The Senators displayed a well balanced line and a well coordinated backfield.

In their last game of the season, the SHS gridders fought Peoria Manual to a scoreless tie. One chance for a score was muffed when Springfield fumbled after crossing the Manual goal, and it resulted in an automatic touchback. Manual had a tally called back on account of a penalty. The tie gave SHS second place in the Big Twelve with first place going to undefeated Pekin.

The Springfield High School cagers had an alternately good and bad season this year. They started out unable to free themselves from the roughness of the previous football season, but after their first slump, they came back to provide a pretty good show. Their record displays thirteen wins and fourteen losses. The Senators advanced farther this year than last in the progression to the state tournament, winning the regional championship at Virden. During the Christmas season they also annexed the city championship in the newly instituted City Tournament. Ken Fitchner, a newcomer from Freeport, Illinois, was high scorer for the season.

Springfield High School got off to a slow start in its 1948-49 basketball season. The Senators treked to Princeton of LaSalle-Peru for their first game and met with a 42-30 defeat. Ken Fitchner was high scorer with 12 points.

Harrisburg, invading the armory, handed SHS its second defeat of the season, 50-49, in a see-saw scrap. Ed Leonard led the scoring with 13 counters.

Wells High of Chicago defeated a steadily improving Springfield squad in their third tilt. Ken Fitchner and Bud Kenney were high point men.

Proving ice-cold at the hoop, the SHS quintet lost to a more experienced East St. Louis team, 53-34. The Solons were unable to hit from anywhere on the court. Ken Fitchner totaled 10 points.

Ruining a 31 home game winning streak, SHS defeated Pekin in an upset, 44-39. Fitchner with 17, and Thunman and Brittin with 9 and 8, respectively, took scoring honors.

The Senators carried off their second Big Twelve win, beating Lincoln there, 47-41. Fitchner and Thunman were the key men in the scoring attack.

In their first game in the newly instituted city tournament, SHS bested their northern rivals, Cathedral, 49-34. Ken Fitchner, with 7 field goals, was high man for the night.

The Black and Red carried off their second game in the city tourney by handing the Lanphier Lions a 45-36 defeat. Dale Podshadley and Bob Slack led in the scoring for SHS.

Athens, invading the state armory, met with a 50-44 defeat at the hands of SHS. Fitchner and Leonard were high point men against their small, speedy opponents.

Winning their seventh straight game, SHS conquered Bloomington 59-35 in a one-sided battle. The Senators were hot under the basket. Bud Kenney with 24 points, and Ken Fitchner with 19 shared the scoring. Both boys made an even 38% of their shots.

A third quarter slump proved costly to SHS when they lost a 52-38 decision to their ancient rivals at Decatur. Fitchner counted 13 markers.

Bloomington revenged an earlier defeat by trouncing SHS, 40-33, at the armory. The Springfield scoring was evenly distributed with Fitchner counting for 8 and Thunman for 7.

In a driving battle, Decatur pommelled Springfield to a 50-42 defeat. The Solons were in the game all the way, with Thunman and Fitchner sparking the squad at the hoop. Bob Slack was injured when struck in the face.

Inability to make their free shots left the Red and Black 8 points deficient in a conference game with Streator, 45-37. Ron Thunman, Bud Kenney, and Ken Fitchner carried most of the offensive load.

the half, sparked the offensive action. High scorers were Myers, Larsen, and Thunman.

SHS lost to Quincy, 68-42, in their last non-conference tilt. The Solons were cold at the basket and were hampered by Quincy's height.

Ending their regular season, Springfield High School set back Peoria Central to a narrow 51-49 defeat. Dick Brittin was the spark in offense, hitting phenomenally on long set shots. Ron Thunman shared the high scoring and shone on defense under the boards.

The Springfield High cagers showed lots of fight in their tournament battles. Starting things off, they swept over Virden, 42-35, in the opening game of the regionals. Ken Fitchner was the big scorer with a total of 19 points.

Hitting with uncanny accuracy, the Red and Black quintet turned in a 58-41 win over Northwestern High in their second regional game. SHS led all the way and played their own style of ball. Fitchner, Larsen, and Brittin were high for the night.

BLAKEMAN FIGHTS IT OUT WITH WILLIAMS

Springfield swept the regional tournament laurels by fighting Girard to a 50-36 decision. The Solons were slow to start, but retained a handy lead throughout the second half. Ron Thunman was outstanding on offensive play, tossing in 17 points.

A cold Mt. Pulaski team conquered an even colder Springfield team in their opening sectional tilt at Decatur. The Senators were unable to hit the basket, but despite this unfortunate inability, Coach Scheffler's boys fought hard, and the winning margin, 31-29, was a small one.

DEVEY WINS THE MILE

As is the annual custom, the first track meet of the season was the class meet. This year the Juniors carried off top honors in the meet, which fell on April 4 and 6. Reding in the dashes, Venable in the runs, and Kenniebrew in the field events, were high scorers. For the seniors, who came in second, Bob Phillips, Phil Vance, Noah Herndon, and Bob Slack took firsts. The Sophomores came in third and the frosh ended in last place.

On their home track, the Solons' first victory was over the Kincaid Ponies, 80-33. SHS grabbed 9 of the 13 first places, making clean sweeps in the 440, the 200 lows, the shot put, and the broad jump. Bob Phillips and Phil Vance—Mr. Little and Mr. Big—shared sprinting honors. Bob Slack and Al Kenniebrew were also double winners. Noah Herndon copped the 440 in 55.9 with his teammates running a close second and third.

The SHS cindermen triumphed over the Pana and Tri-city squads in a triangular meet at the SHS field. The scoring placed Springfield ahead, with Pana and Tri-city following. Alonzo Kenniebrew and Bob Slack were both double winners, and Al also ran the relay. Bob Phillips won the 220 and was second in the 100 yard dash.

Springfield was edged out by Pekin in a triangular meet there with Pekin and Lincoln. Pekin, with 69 points, held a 9 point lead over the Senators at the final count. Alonzo Kenniebrew was a double winner, with Clark Hiller pressing him in the jumps. Other point getters were Kenney, McFarland, Phillips, Slack, Cox, Herndon, Devey, and Venable.

Springfield garnered 48 points to lag behind the winning Decatur team by 17½ at the Pana Relays. Alonzo Kenniebrew was again a double winner for the Solons, carrying off top honors in both jumps. He cleared well over 5'8" in the high jump and soared 20'2" in the broad jump. Bob Slack was highest individual performer with a double win in the hurdles and a second in the shot put with 45'10". Bob Phillips won the 220 with a 24.2 performance. Other point getters were Bud Kenney, Larry Venable, Clark Hiller, Jack Crosby, and Bob Dryer.

The Solon freshman-sophomore crew carried a 42 5/6 point victory over their nearest rivals, Taylorville and Feitshans. Hiller, McFarland, and Hodde proved the meet's best sprinters, accumulating 16 points among them in the dashes. Hiller was awarded second in the broad jump with a leap of 19'8". Stuckert, Cox, and Phillips (Jr.) were other entrants who took places.

SHS was unable to compete well on the soggy Millikin track when Decatur defeated the Senators by 39 points. Phil Vance was the Solons' only double winner, taking both the 100 and 220 yard dashes. Bob Phillips, his sprint mate, also placed in both races, while Kenniebrew and Slack placed in the jumps and hurdles. Springfield took the 880 yard relay in 1:37.4.

SHS triumphed over Pana and Kincaid with a score of 73 points in the Solons' eighth meet. Those who scored for Springfield were McFarland, Venable, Devey, Herndon, Kenney, Phillips, Vance, Kirkpatrick, and Byerly.

SHS, rated second, swamped a favored Feitshans to romp off with the city title. Phil Vance and Bob Phillips, the Solons' sprint mates, placed one-two in the 100 and tied for first in the 220, crossing the tape holding hands. Bob Slack turned in the best individual performance with a win in both hurdles and a second in the shot put to his credit. Devey and Venable won the mile and the half respectively in stiff competition. Kenniebrew and Hiller tied for first in the high jump, and Alonzo took second in the broad jump. Other scorers were Kenney and Bramlet in the hurdles, Cox and Herndon in the 440, Reding in the half, and Gwin and Glisson in the pole vault.

Springfield won its third District title in four years when the Senators nosed out Brownstown at Pana, 28 to 27. Kenniebrew was the Solons' only winner, taking the broad jump at 20′-7½″. However, much-needed points by Slack, Phillips, Vance, Cox, Bramlet, and Venable provided the margin of victory which allowed Springfield to send seven qualifiers to the state meet.

Under the coaching of Herb Scheffler, baseball has returned to SHS as a major sport. The Solons have entered Big Twelve competition and at the time of this printing have a 2-2 record.

SHS started off shutting out St. James 15-0 and then losing to Mt. Pulaski, 2-1. With Otto and Engelking hurling, we won the next five games, beating Rochester, Cathedral, Peoria twice, and Riverton. The Senators then dropped a double header to Decatur and the first game of a double header to Hillsboro. To the printing date, SHS had scored a total of 77 runs to their opponents' 51.

Springfield showed pitching strength in four moundsmen this year — Howard Engelking, Dick Otto, Dick Brittin, and Jack Blakeman.

By the eleventh game, Engelking had a record of four wins and one loss; Otto had two wins and a defeat; Brittin had an even split of one and one, and Blakeman dropped one to Decatur.

Larsen, Dodd, and Brittin were the main sluggers for SHS. Pete Larsen was maintaining a .500 average at midseason, and Loren Dodd batted .364 with three home runs to his credit.

The lineup for Springfield varied; however, generally among the starters were Tom Gagnon, Dick Mills, Pete Larsen, Loren Dodd, Dick Brittin, Jim Thompson, Ken Fitchner, Jack Blakeman, Dick Otto, Rex Berry, John Hess, Ed Leonard, Don Casper, and Jerry Judd.

With the tennis ladder put up early in April, the courts have seen lots of action. Unhampered by poor weather, the playoffs went fairly well according to schedule. In the district meet at Decatur on May 7, the doubles team of John Greenleaf and Jim Means swept through the field to take the doubles title. Rich Franke playing with Steve Hill comprised the other doubles team, while Jerry Beaver and Jerry Rhodes entered in the singles competition. The boys competing on the tennis squads as well as those on the golf team have the opportunity to win a major letter if they qualify in their respective district meets.

MR. ROELLIG

William Roellig, head football coach at Springfield High, piloted his 1948 football team through an undefeated season. In addition, he coached tennis and golf, which make up a vital part of the spring sports curriculum. Mr. Roellig has been singularly successful in turning out victorious teams. In 1945 he coached an SHS football team, unbeaten and untied, to the Big Twelve Championship.

Interest in the minor sports continued this year as a large number of boys continued to come out. As soon as the links could be used, the members of the golf team were out playing off their matches. The boys who represent Springfield at the district meet are selected by means of the ladder system. At least two matches are played a week if weather permits. Among the first on the ladder were John Stirewalt, Gary Tilly, Bob Kruckeberg, Don Hoffman, Dave Spencer, Hal Meyer, Jay Markley, and Jim Seay.

GYM CLASSES

SHARPENING UP THAT BASKET EYE

During the school year SHS physical education classes have continued to maintain their program of keeping students in top physical condition and giving them the opportunity to play and work together.

Under two new instructors, Miss Schulze and Miss Hysler, girls' gym classes have offered volleyball, kick-ball, basketball, etc., to the students. The boys are given opportunities to participate in softball, football, track, boxing, wrestling, tumbling, and basketball. Boys who wish to compete in major inter-school sports may enter the special sixth period gym class for this purpose.

The man almost wholly responsible for publicity, ticket sales, provision of equipment, and all the other tasks of a business manager, is Mr. Jesse Sanders. Whenever something goes amiss in the intricacies of the SHS athletic department, he is inevitably the one to whom everyone turns. Besides acting in this capacity, he is the instructor of the mechanical drawing classes.

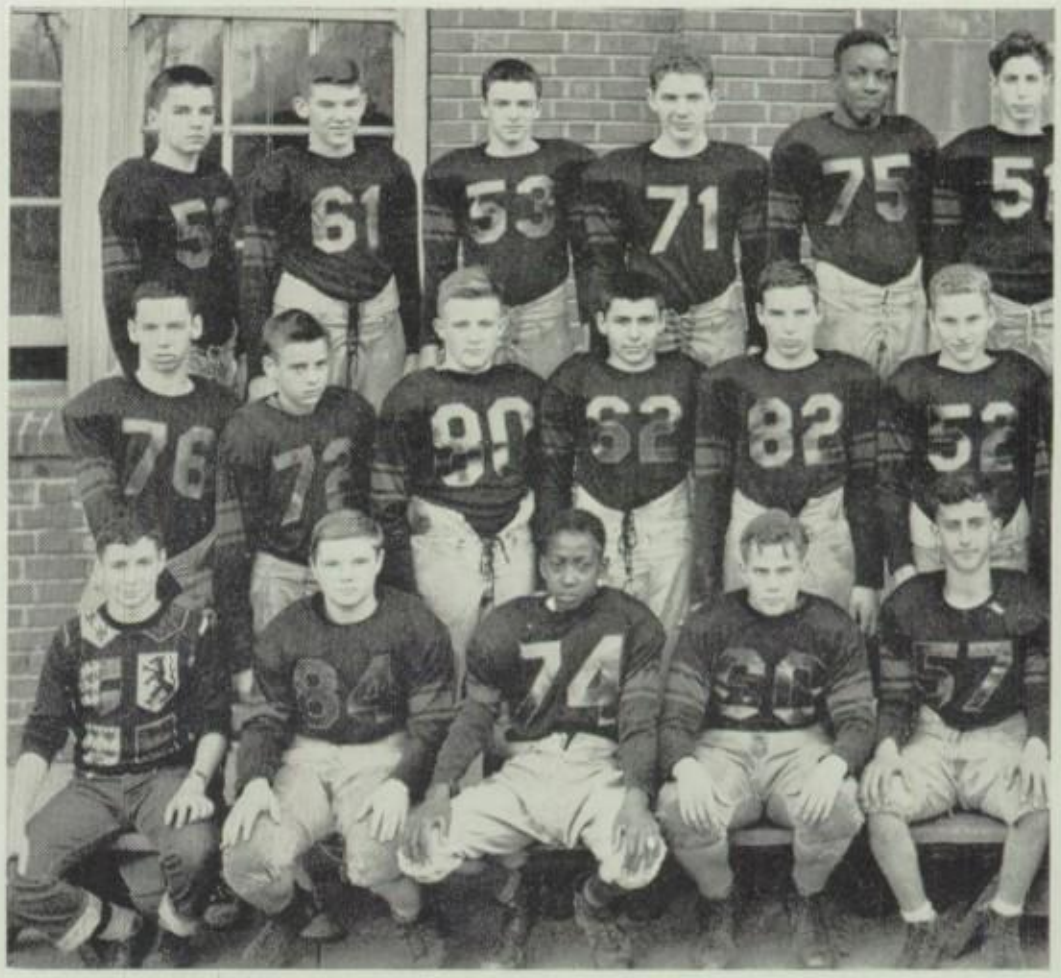
FRESHMAN FOOTBALL

Playing under a new coach, Mr. Willard Dewey, the SHS freshman football team completed a hard schedule with a record of four wins and two losses. The Frosh won the opening game from Cathedral, triumphing 20-0 over their northern opponents, and similarly won over the Feitshans freshmen, 19-0. They lost their first game to the Springfield High sophomores, 12-0, but came back to beat Feitshans 6-0 in a second game, as well as Cathedral, 13-6. In their final test of the season, the first year squad lost a heartbreaking, hard-fought game to Lanphier, 12-7.

The freshmen showed a high spirited, hard driving team which should provide talent and good material for Coach Roellig's varsity. The team was captained by Bob Hanauer, who played at center position. Jerry Maisenbacher, left half, was the high point man with 21 points, and Jerry Ferguson was close behind with 18. SHS piled up a total of 65 points to their opponents' 30.



TOP ROW—Dave Spencer, Henry Malkus, Ralph Upp, Eddie Bopp, Nelson Cummings, Harry Hodde, Jim McCafferty, Bill England, Bob Augspurger, Tom Smith, Don Casper.

PUP BASKETBALL

The Springfield Pups, as such, did not begin playing the preliminary games at varsity encounters until quite late in the season. When, in the middle of January, the Junior Varsity stopped playing, the freshman-sophomore Pups stepped in to take their place.

This year the Pups have, for the first time, been coached by a man not working also with the varsity. Mr. Ray Suddarth, who has coached many local teams of grade school youngsters, took the boys at the beginning of the season. Pup practices were held in the gym on Tuesday and Thursday nights after varsity practice and on Saturday mornings. The Pups scored a record of four wins and three defeats. They were able to make a few road trips with the varsity and play on out-of-town courts.

This year's Pup team has served its purpose well in providing experienced material for Mr. Scheffler in future basketball seasons.

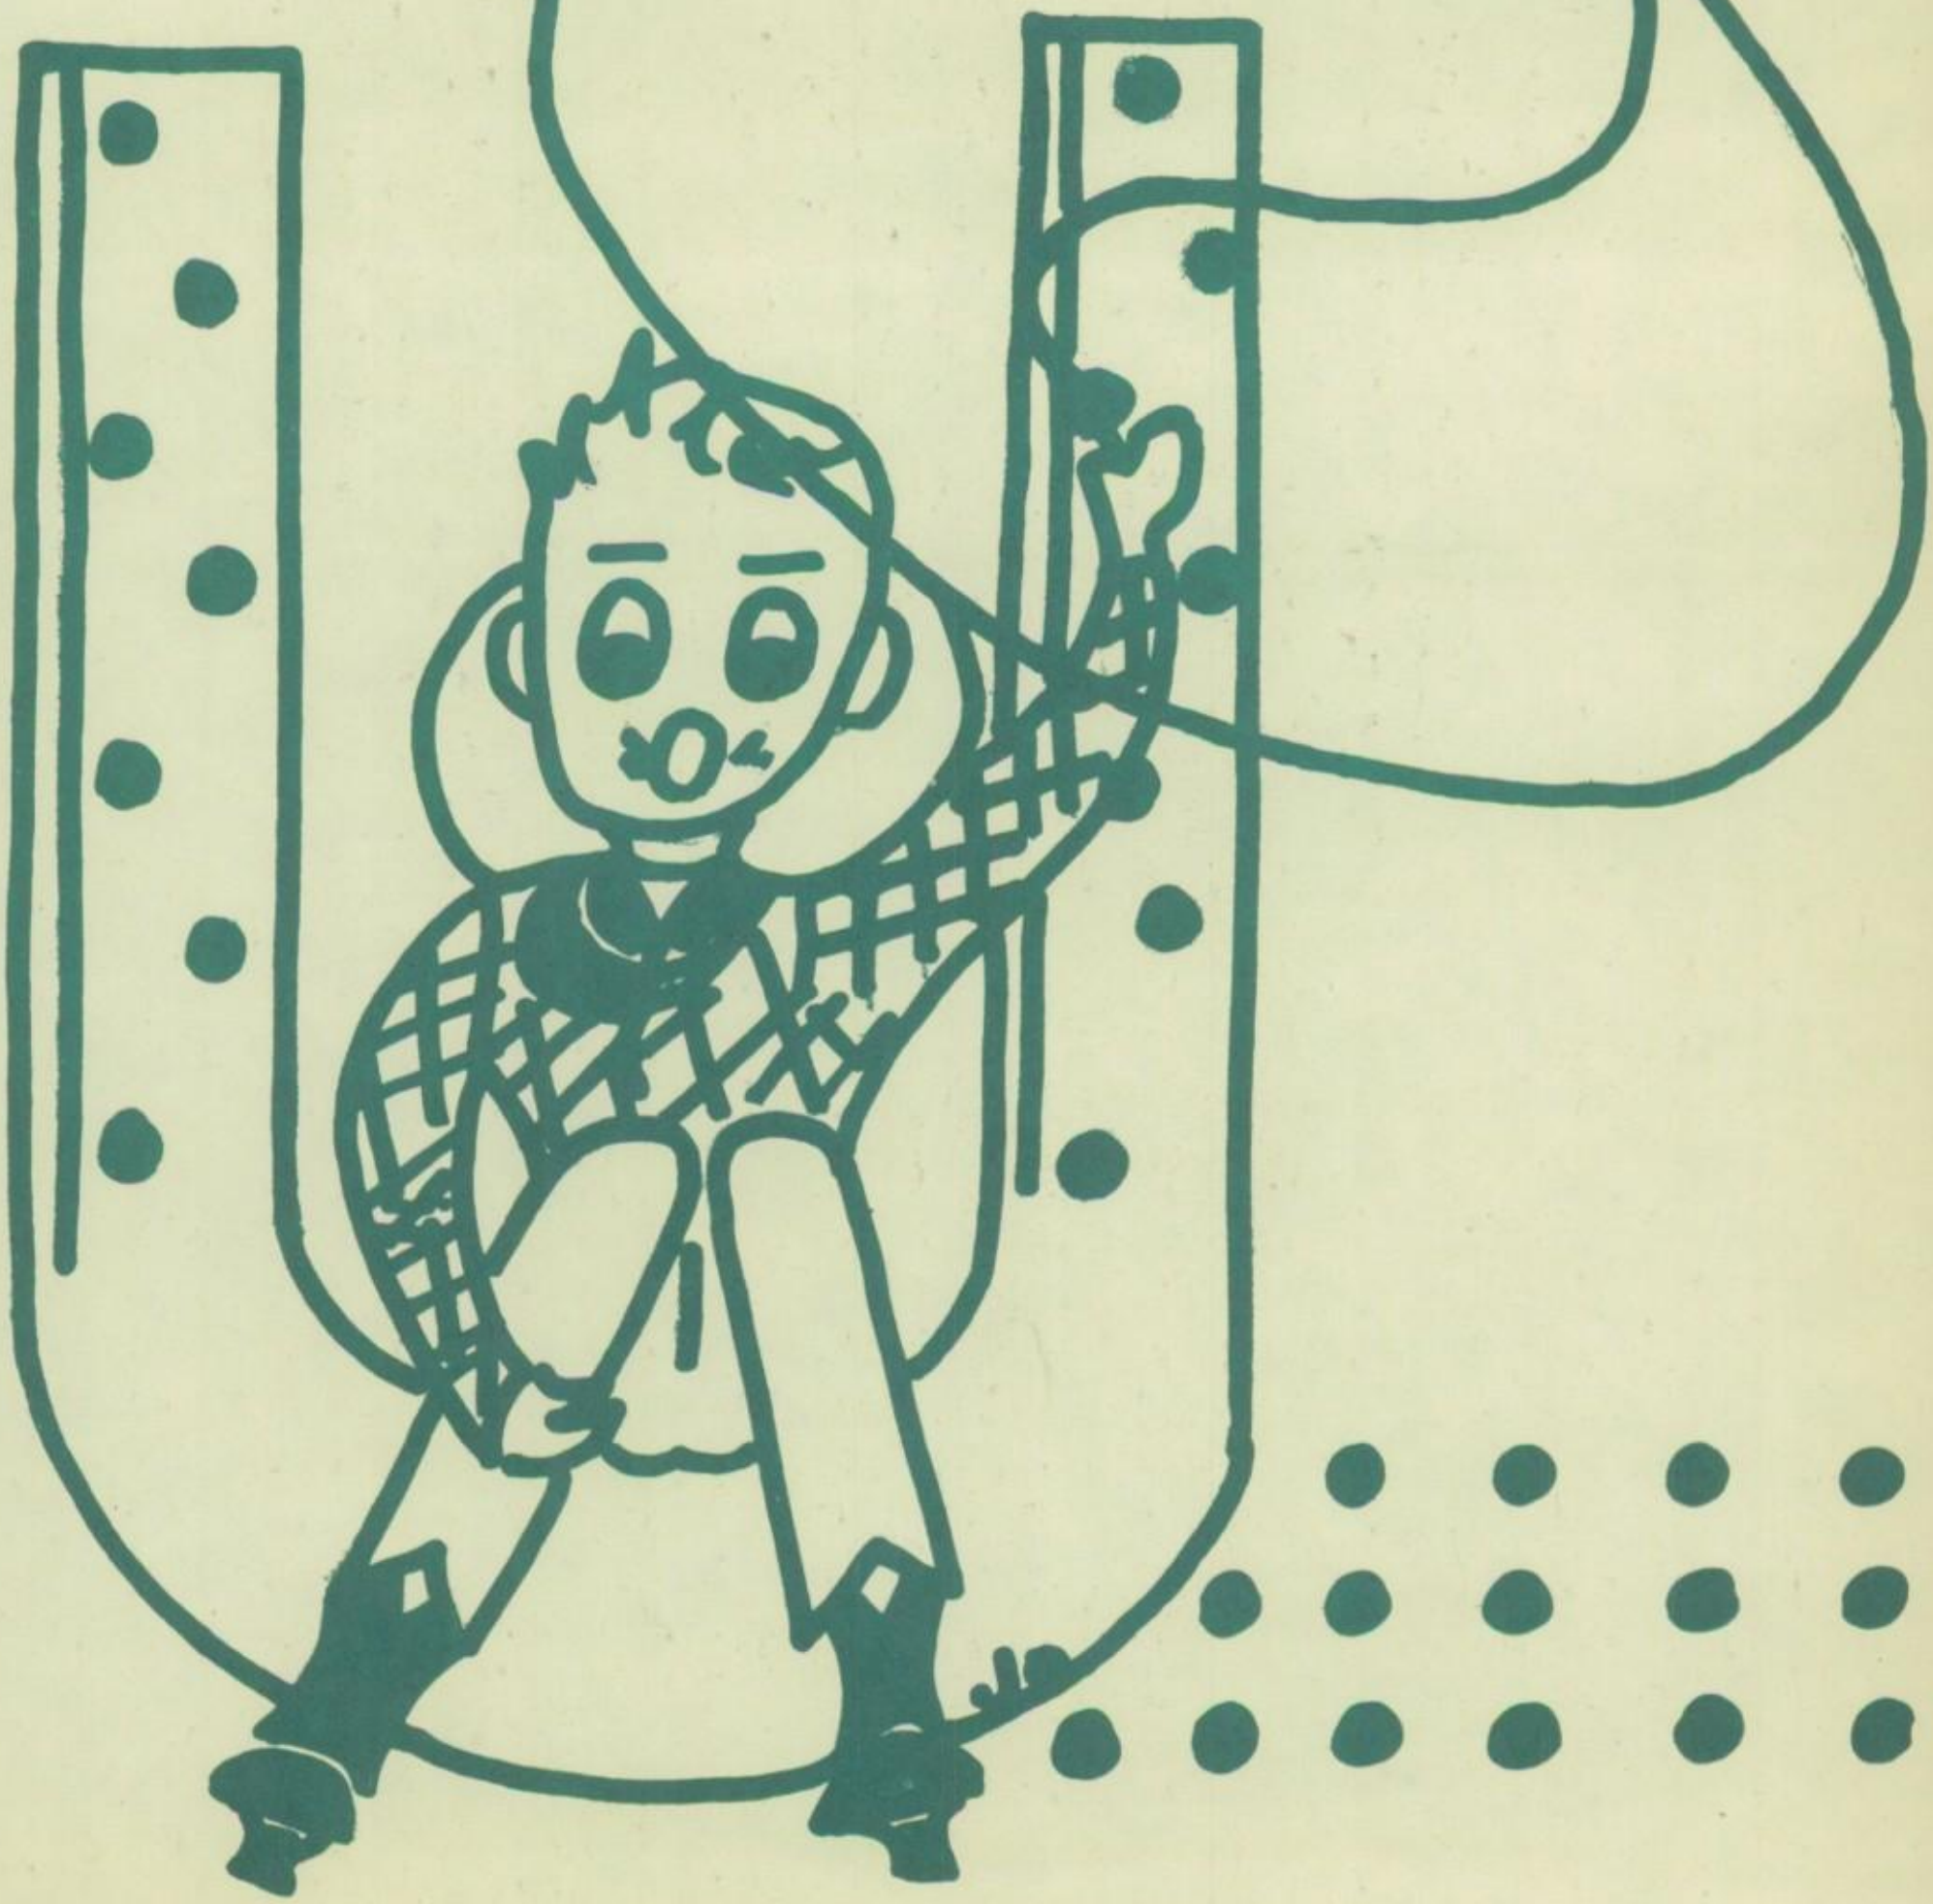
CHEER LEADERS

An experienced group of cheer leaders, under the capable guidance of Miss Hysler, brought new life to the pep squad and kept spirits high during SHS' 1948-49 sports season. Besides its three veterans, Roberta Pelham, Joan Knight, and Roy Heidemann, the team boasted two freshmen newcomers, Betty Brown and Carole Graham. The latter two revived acrobatic cheer leading at Springfield High.

ACTIVITIES



CALENDAR

SEPTEMBER TO JUNE

Dear Diary,

SEPTEMBER

7—Put on those shoes
Tie them to stay,
Get rid of those blues
School starts today!

10—Whew! We won our first game, but it sure was close. SHS, 20; Hillsboro, 19.

16—We had a hot time tonight—at the Wrangler Bon Fire, that is.

17—This was a big day. We had an assembly on the value of scholastic attainment, and our football team beat Feitshans, 6-0.

22—An assembly in the form of a movie on "Charm and Personality Plus Character."

24—The sun was in my eyes, but the paper said the score was 19-0 in our favor. Our victim? Why Cathedral, of course!

OCTOBER

2—All hail the city champs! We trounced Lanphier 32 to 0.

4—Raw eggs, garlic, and burlap sacks for sweaters were but a few of the events of boy's pledge week.

5—A pep assembly.

7—Oh, those wonderful teachers! Because of them we won't have school for two days. But of course it is Teacher's Institute. Tonight we tied Decatur 6-6.

11—Hey fellas, did you ever know how funny girls could look? Girl's pledge week began today.

15—We did it again. This time it was Peoria. The score—7-0.

18—What a day! We had two assemblies. In the morning Dr. Roy Dickerson informed us that we don't fall into love, we "grow" into it. In the afternoon Mr. Harold Russell, a handless veteran, talked to us on racial and religious prejudice.

22—Our band's yo-yo experts entertained at the game tonight when we flattened Bloomington 20-8.

28—Walter Everman, the liquid air man, was our speaker today.

29—What a super colossal team. SHS, 41; Lincoln, 0.

GEE, THANKS!

WE POINT WITH PRIDE!

30—Lois Deane Turley was a beautiful queen at the Wrangler "Gridiron Hobble."

NOVEMBER

2—There was a January Senior Class Meeting today.

5—We're really on the ball. We had another assembly at which Dr. Clark Ellzey was the speaker. We also played our final football game, tying Peoria Manual 0-0.

8—This is education week, kids. Mind you act accordin'.

10—Members of Miss Ellen Rourke's public speaking class put on a radio skit on education after school.

11—No school—Armistice Day.

12—The SHS orchestra was host at its dance tonight. We had an assembly on the progress of schools and need for further advancement, at which Dr. Houston was the principal speaker.

15—Physical Education classes met in the auditorium this week to hear Mr. Roy Robinson discuss social problems growing out of the use of liquor.

17—The Juniors took their turn at class meetings today.

19—Delphic dance—"Frostbite Ball."

22—There are certainly a lot of class meetings. Today is was for the Sophomores.

23—School was dismissed at 2:30!

25—No school. Thanksgiving Vacation!

26—Still no school!

27—Basketball season is on. Something must have happened though, for we lost to Princeton, 42-30.

29—Groan! We took tuberculin skin tests.

DECEMBER

1—What a relief. We had T.B. readings today.

3—To celebrate the end of the second term we played Harrisburg, but lost 50 to 49.

4—Student Council dance, "Student Stomp."

9—In a highly entertaining assembly, we heard Mrs. Billy Bryant present a delightful resume of her life on a river showboat.

10—We lost to Wells High by one point. Oh, woe!

11—This is getting to be a bad habit. Tonight the victor was East St. Louis.

17—We won! Pekin, no less, 43-38.

21—Today we had an inspiring and beautiful Christmas assembly. Our team traveled to Lincoln tonight and returned victorious.

22—School was dismissed at 2:30. Have a nice vacation!

23—Charter led the list of Christmas dances.

25—Merry Christmas! Tonight was Pill Rollers Christmas dance.

27—The Rose Room was the scene of the Wranglers' holiday dance.

28—The first bout of the All-City Basketball Tournament. We beat the Cyclones 49-34.

29—The Les Bas "Holly Hop" was another successful dance. We also beat Lanphier 45-36.

30—Tonight we became city champs in basketball by beating FHS 41 to 34. There was a dance at the Illini Country Club, too.

31—"I won't be home until morning."

JANUARY

1—Happy New Year!!!

3—Back again at the old grind.

4—We started the new year off right by beating Athens 50-44 in an overtime thriller.

7—Bloomington fell to our mighty team, 59-35. Whatta game!

11—"Wha hoppen?" Decatur 52, SHS 38.

12—January Seniors' meeting.

14—Peoria Manual beat us by 10 points. The Wranglers beat the Delphics 18-14.

15—The Senior Prom, "Club 49."

20—The first night of the senior class play, "Seventeen Is Terrific."

21—No school for the graduating seniors. The class play again.

23—Class service at First Christian Church.

27—They made it! Commencement exercises.

29—Many were at the Beaux Arts Ball tonight.

31—Did you find your way to your new classes? Second semester begins today.

FEBRUARY

3—An assembly by the Bell Telephone Company.

4—Big night. Bloomington beat SHS 40-33, and Sid Pip entertained at their annual "Snowflake Shuffle."

EXPECTANT POSITION

8—Conservatory Players entertained us with Oscar Wilde's play, "The Importance of Being Earnest."

11—Well, we can't win all the time. Tonight Streator won, 45-37.

12—Marilyn Lowe was queen of the Delphic Shamrock Shuffle tonight.

16—A Cappella Choir Concert.

18—That's the way, fellas. Tonight we beat Lincoln, 41-35.

19—It happened again. Quincy won. Pill Rollers had a dance tonight.

24—An assembly by the orchestra.

25—We beat Peoria Central, 51-49.

MARCH

1—Pep assembly. We started our regional tournament at Virden tonight and won, 42-35.

3—Now we're playing ball. Tonight at the tournament we beat Northwestern High, 58-41.

OUR FOOD? YEP!

4—What a day! What a game! What a dance! We became regional champs by beating Girard 50-36. Then the Philos entertained at the most popular dance of the year—the Sock Hop!

10—The fellas played a wonderful game but lost to Mt. Pulaski 31-29 in the sectional tournament at Decatur.

18—End of the first term.

21—First Aid classes began.

24—Delphic Amateur show was presented today.

APRIL

1—No school! That isn't an April Fool's joke either; it's Teacher's Institute. The junior class presented their dance, The Jesters Jig, tonight.

6—The Juniors were victorious at the class track meet.

7—We saw a movie in the assembly on "Wheels A Rolling," which was about the Railway Exposition Fair. A Wrangler Barn Dance slapstick preview followed.

8—A busy day and a victorious one. The track team romped over Kincaid 80-33, and the baseball team beat St. James, 15-0.

11—SHS baseball team lost to Mt. Pulaski, 2-1.

12—We won the track meet at Pana. In baseball, we beat Rochester 7-2.

13—Easter assembly. After school our freshman track team won over Ball Township and New Berlin.

14—The big dance—Wrangler Barn Dance.

15—No school, Easter Vacation.

16—Easter Pill Rollers Dance.

18—Still no school, and I'm not complaining.

19—Our track team got second place in a track meet with Pekin and Lincoln. The baseball team beat Cathedral, 7-3.

21—Piero Pierotic, an opera singer, was our guest at the assembly today.

22—Hob Nob Twin Spin. Once again we got second in a track meet.

23—We won a double header 22-11, 6-5. Peoria Central just didn't have it.

26—Orchestra Concert. Holiday for strings n' stuff.

27—SHS lost to Decatur in a track meet.

29—Les Bas Printemps Prance. Our track team is doing all right. Tonight they won the Kincaid-Pana meet.

30—Lost to Decatur in a double header, 4-0, 9-5.

MAY

3—We split with Hillsboro—lost 4-0, and won 5-2.

4—The freshman track team lost to Rochester.

5—Congratulations to our track team. Now we're city champs.

6—End of the second term. We got third in the Lincoln Relays.

8—Chorus classes presented their annual spring cantata.

EVERYONE A SCHOLAR

10—At an assembly today we learned about plastic products and tried to identify the busybody of the year.

13—A preview of the Senior class play, "The Miser," was given at the assembly today.

19—Class play.

20—Ditto.

24—Band Concert. I sure did like those new uniforms.

27—Sid Pip Dance, "The Cotton Capers."

JUNE

8—Choir Concert.

10—Senior exams.

12—Baccalaureate services.

16—Recognition assembly . . . inspiration plus. The Philo Graduation Dance was tonight.

17—That's all, folks! (Kerplunk!)

Each year graduating seniors of Springfield High School are elected to membership in the National Honor Society. Up to fifteen percent of the graduating class may become members if they fulfill the necessary requirements. The scholastic requirements for membership are a general average of B through four years of high school and the equivalent of four A's and two B's as semester averages in at least one major subject. However, character, service to the school, and constructive leadership as well as scholarship are stressed.

For many years athletics and debating societies took most of the honors in high school activities, and the hard-working student received little or no recognition for

his diligence while in high school. Thus, leading educators, seeking to promote and stimulate scholarship and citizenship, established the National Honor Society in 1922. From a beginning of twelve chapters, the organization has grown, under very capable directionship, into a society of more than three thousand chapters.

The SHS chapter of the society (charter number 1432) was organized in 1934 and has been continuously served by Miss Sadie Clapper, Miss Marie Dean, and Miss Ruth Woods as sponsors. Since our chapter was organized, 898 SHS graduates, many of whom have brought distinction and honor to our school, have become members of the society.

It is early fall and the voting booths have been set up in the hall by the cafeteria. Students are swarming in front of them, clutching little bits of colored paper in their hands. The general atmosphere is one of voluble excitement and confusion—everyone is talking or yelling. Everyone, that is, except a huddled group of worried-looking students standing off by themselves exactly 15 feet from the booths. Every now and then one of these forlorn characters forces up a genial smile for a stray pupil rushing into the crowd and then lapses back into silence, mentally counting his or her friends. What is going on? Why, elections are being held for the '49 Student Council, to represent the pupils of Springfield High during the coming year.

NEW IDEAS IN SCHOOL AFFAIRS

COUNCIL'S ANNUAL "STUDENT STOMP" MEETS APPROVAL

The Student Council is one of the most active bodies in school, partaking in all sorts of activities. To become a member, a student must present a petition signed by at least twenty-five classmates. The candidates are voted on in the hectic scene described, and seven seniors, six juniors, five sophomores, and four freshmen are chosen.

This year the Council has done quite a bit around school. An assembly was presented in November to start the season off. On December 4th a dance—the Student Stomp, was held in the gym, and was attended by great droves of pupils. One cold winter day the cafeteria was nearly deserted after lunch as its contents swarmed out to make purchases at the Student Council cookie sale, and later on Council-sold pencils with the basketball schedule printed on them were seen vibrating busily in all classrooms. Another well-attended dance was held about the middle of May, as well as the tantalizing "Mr. Busybody" contest originated last year. Some Council members attended the District Convention last fall, and others went to the Illinois Convention in Chicago this spring. Drives were put on for the Red Cross and T.B. funds. It's been a busy year for the SHS Student Council.

STANDING LEFT TO RIGHT—Melvin Routman, Chauncey Cross, Sara Hall, Thelma Yutan, Dick Chesnut, Allen Black, Miss Wilson, Tom Jones, Mary Howard, Ray Wheeler, Harry Sinclair, Betty Paul, Don Archer.

SEATED LEFT TO RIGHT—JoAnn Gianessi, Jerry Rhodes, Bill Downer, Jack Thoma, Virginia Temple, Betty Walters, Joyce Ihlenfeldt.

School improvement editorials, the latest news, and as much gossip as can be written, are furnished the students of SHS on every other Thursday by the Senator staff. This year the four-to-eight page papers have come out with unfailing punctuality. Miss Wilson, staff adviser, is instructor of the class which is conducted similar to any larger newspaper. Students are taught the newspaper style of writing and the mechanics of publishing a paper, from giving assignments to proofreading.

Every student in the class is given the opportunity of being co-editor of a paper with one or more of his fellows. Moreover, in the course of the semester, each student tries his skill at all the different types of newspaper writing.

For those who show exceptional talent, the Quill and Scroll, a national honorary journalism society, serves as a goal. The Senator is fully accredited in this society, and has, since its inception, had many of its writers accepted.

To complete the semester's work, each student tries his skill at creating a 10,000 word newspaper in which he employs all his accumulated knowledge of the newspaper's internal structure. This is an accurate check on his work during the semester. Upon completing the course, if not an accomplished journalistic writer, the student is at least a more conscientious and observant individual, possessed of a broader scope and a better understanding of school affairs.

One of the best, as well as craziest, events of the year was the play, "Seventeen Is Terrific," presented by the January senior class.

The plot centers around the trials and tribulations, and there are many, of the hero in getting to a dance. He has trouble with friends, enemies, cars, father, brother, sister, grandmother, girl friend and himself, but miraculously he makes it at last.

The number and ridiculousness of the complications kept the large audiences laughing throughout on both nights it was presented.

The cast, under the excellent direction of Miss Mullett, did a very good job of putting the production over, and the committees on properties and publicity worked with them to advantage. Special mention should be given to Miss Rourke's students, who attended to the makeup problems. It was a wonderful job.

This year's January class has put on a play to be proud of!

"THE MISER"

STANDING—Joanne Stublefield, Joyce Allen, Ruth Gaudlitz, Susanne Payne, Bill Lazarus, Tom Humphris, Stan Stern, Vancil Kane, Lois Ostermeier, Miss Mullett, Barbara Blumle, Bob Solomon.
SITTING—Edward Skoog, Lois Suckow, Betty Hulbert, Robert Raich, Joyce Donner, John Muerle.

Thursday and Friday, the nineteenth and twentieth of May, the student body turned out in full force to view the 1949 June seniors' production of "The Miser," by Moliere.

"The Miser" was a new and unique thing as far as SHS class plays go, since it got completely away from the traditional high school farce. Its seventeenth-century humor was quite refreshing.

The story is the coincidence-packed one of an old man whose stinginess puts Jack Benny to shame and the machinations his son and daughter have to go through to marry as they wish. After three hilarious acts, the curtain closes with everything settled just as it should be.

Bob Raich played a very convincing Miser, and Joyce Donner and John Muerle couldn't have been better or funnier as his loving (?) offspring. Lois Suckow, Ed Skoog, Betty Hulbert, Stan Stern, Bob Solomon, and the crew of imbecilic servants made "The Miser" a huge, hysterical success.
